Welcome to the Sub-Tropical Fruit Club of Qld. Inc. Our Club promotes the growing and use of rare, unusual and common types of fruit trees, bush food and vegetables and we share our interest and knowledge with other like-minded organisations. Usually presentations by our guest speakers are summarised and go into a newsletter that we publish every two months so if you are unable to attend our meetings, you will still receive the information. For more information contact Sheryl Backhouse on 07 3289 4198 or email secretary@stfc.org.au
